The Word Wardrobe

Try It On!

COMPANION 04 | ENIGMATIC & TRANSPARENT

Five playful ways to bring these words to life— solo or together.

01 TALK THE TALK

What do **enigmatic** and **transparent** mean to you? Can someone be both? When might you choose mystery, openness or a little of each?

02 STRIKE A POSE

Style one **enigmatic** outfit and one **transparent** outfit for the same occasion. Describe or sketch each. Add an unexpected accessory!

03 MAKE IT YOURS

Enigmatic and transparent are planning a day together. Write a two-line exchange between them. Make it witty, funny or unexpected!

04 CLOSET RAID

Using clothes you own, create an enigmatic look and a transparent look. Try both on. Give each a runway walk and signature pose. No shopping required!

05 LIGHTS, CAMERA, ATTITUDE!

Stage a 30-second scene starring Enigmatic and Transparent. Play both roles or recruit a partner. Use expressions, gestures and props. Perform or record!
