The Word Wardrobe

Try It On!

COMPANION 05 | SOLEMN & FLIPPANT

Five playful ways to bring these words to life—solo or together.

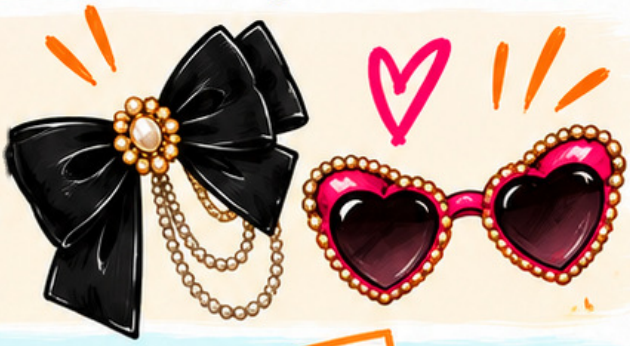

01 TALK THE TALK

What do solemn and flippant mean to you? Can someone be both? When might you choose seriousness, laughter or a little of each?

02 STRIKE A POSE

Style one solemn outfit and one flippant outfit for the same occasion (like a graduation). Describe or sketch each. Add an unexpected accessory!

03 MAKE IT YOURS

Solemn and Flippant are heading to a celebration together. Write a two-line exchange between them. Make it witty, funny or unexpected!

04 CLOSET RAID

Using clothes you own, create a solemn look and a flippant look. Try both on. Give each a runway walk and signature pose. No shopping required!

05 LIGHTS, CAMERA, ATTITUDE!

Stage a 30-second scene starring Solemn and Flippant. Play both roles or recruit a partner. Use expressions, gestures and props. Perform or record!
